

## Community Service Tracking Form

NAME: \_\_\_\_\_

For this recognition, community service is defined as volunteer activities that have a significant impact in meeting the needs of communities and that allow young people to help others by sharing their time and talents. (Examples: just going to Boy Scouts meetings, just going to Youth meetings at Church, or just taking clogging classes DO NOT count. The hours involved in picking up trash on the highway as a Boy Scout project, teaching children in Vacation Bible School, and performing clogging at a Senior Citizens' home do count.) Community Service is something that is done with no expectation of getting anything in return. For completion of the Tracking Form, please note the number of the activity type listed below. Hours will be indicated by giving hours volunteered for each activity, i.e. 5 hours or 3 and ½ hours. Signatures should be by the supervisor of the activity.
