

Legislative 2017-2017

Ladies,

With so much of life being on line, it is easier than ever to communicate with our representatives. There are very few of them that don't have Facebook, Twitter or Instagram accounts. These accounts are so easy to connect to, one click and you will be up to date with what they are doing. They contain videos, photos, bills they are working on, how they feel about the bills, and how they voted. These links also have a place for you to comment and leave your opinion. How easy is that?

Please look at The American Legion website to keep up to date with what interests the American Legion is pursuing. I will also be sending to the Sunflowerette items of importance. Keep up with your local government. That is where you can do the most good. We can make the most impact on city, county, and school boards.

If you need help finding your representative on any level, please contact me and I will help you find it.

Please be sure to send in your report so your success or learning experience can be shared.

Thank you for all you do for our Veterans.
