

VA&R District Chairman
Department of Kansas
American Legion Auxiliary

Plan of work for 2018-2019

Ladies

In your packets I have referenced a very self explanatory description of all the aspects of the VA&R program as put out by National. This may be accessed on the Department web site under VA&R programs. Once again as in the past this will be a written report. Please document and instruct your Units to do the same as to what they do through out the year. They can then send it to you to consolidate in your final report at the end of the year.

This will be our PLAN OF WORK for the coming year. I would like for u to read it, share it and live it for the 2018-2019 year. If we follow it to a T then we will be fulfilling our obligations to our Community, State and Nation in which our Veterans reside.

It is simple, direct and easy to understand. If you have any questions just refer to the information on the web site or feel free to call me, e-mail or send me a note. I will try, to the best of my ability, to answer all your questions, and if not I will find the answer for you.

I want you to incorporate your own ideas and plans into this program once again using the National VA&R as your guide. You may tweak it to your Districts needs.

Again our Plan of Work found on the Department web site, is quite simple, doing our all to help our Veterans and their families past, present and future.

Cher Thomas
