- Less mistakes in member information when a unit enters vs. department
- Membership roster exports can be used for mailing labels or email distribution lists to communicate with your members
- Leadership roster exports can be used for mailing labels or email distribution lists to communicate with your leadership
- Units can check for members' birthdays to honor them on their special day. *(Please note that not all members' birth dates are in the system. However, you can collect members' dates of birth and add to their profile for them.)*
- Reduces the need to keep extensive paper records that sometimes get lost or damaged

Unit access to ALAMIS:

- To request access to ALAMIS, contact your Department Secretary.
 - Please note: Not all departments grant ALAMIS access to their units and some grant just "Read Only" access. Read Only access allows units to view member profiles and pull reports such as membership, paid dues and leadership rosters, but not to edit information.
- Department approves ALAMIS access for unit and sends request to ALAMIS Helpdesk at National Headquarters.
 - Units are limited to 2 users. There is a \$10 fee for each user. User access is good for a calendar year.
- Once set up, Units are sent a user guide and can access online tutorials at <https://www.alaforveterans.org/Resources/ALAMIS/>
